

# Celebration Book Club

The Celebration Book Club is a joint program between the PTA and Media Center.  
Anyone can donate! Parents, children, family and friends.

## Why donate? Only \$20

1. Encourage the idea of giving
2. Celebrate a special event – birthday, graduation, holiday, new pet
3. Media Center is able to buy NEW books with funds raised

## Donations accepted all school year!

Send this form and payment in with your child or to the school office. The donation for each book is \$20 which pays for the program. Cash or check. Please make check out to **Liberty PTA.**

(Returned checks will incur a fee. Allow 2 weeks for processing)

\_\_\_\_\_ I understand an age appropriate book currently in the Media Center will be donated in my child's name. They will choose one of three books provided to them. I agree that my child's picture will be taken and displayed in the school. Funds raised from donations will be used to buy new books for our Liberty students to enjoy. A dedication sticker will go inside the chosen book with student's name and special message. They will be recognized once in morning announcements, receive fun items and have their picture displayed in the Media Center.
